“Higher Ground has helped my son in so many ways... his behavior, communication, independence... HG has given him an opportunity to learn sports that I wouldn’t think he would be capable of.”

Mother of Camp Participant
At Higher Ground
87 cents on each donated dollar goes to support the critical programs that changed the lives of nearly 700 participants in fiscal year 2017-2018.

Thanks to our donors, we were able to log a record number of nearly 25,000 program hours.

There are hundreds more on our waiting lists.

Higher Ground has a 4-star rating, the highest, on Charity Navigator.

We have a platinum rating, also the highest, on Guidestar.

These highly-regarded, top-tier resources objectively evaluate a nonprofit’s financial health, impact, transparency, and accountability.
It is important to us to provide you with the trust and assurance that your dollars go exactly where you need and want them to go.

Make next year magical for the veterans, children, and adults with injuries and disabilities who deserve to find their sense of belonging and confidence.

We are dependent upon, and most thankful for, your gracious generosity. We appreciate your support, every dollar makes a difference.

Thank you.

Kate Weihe, Executive Director

“My Post Traumatic Stress and Military Sexual Trauma took everything: my marriage, career, the very fiber of who I am. I finally started building back because Higher Ground gave me a chance. It gives me hope for a brighter future ahead.”
